The screenshot shows the California Colleges website interface. At the top left is the logo for CALIFORNIA COLLEGES .edu with the tagline DISCOVER. PLAN. LAUNCH. In the top center, there are navigation links for College, Career (which is underlined), and Financial Aid. At the top right, there are icons for a search function and a Sign In button. A large red arrow points from the 'Career' link to a dropdown menu. The dropdown menu contains two main sections: 'Career Interests' with sub-links for 'Interest Profiler' and 'Learn about Career Assessments'; and 'Career Options' with sub-links for 'Career Search Tool' and 'Choosing a Career'. Below the navigation, the main content area features a yellow background with silhouettes of people celebrating. Text on the page includes 'CaliforniaCollege' and 'ents with an all-inclusive guide for their college & career paths & enables educators to track their progress.'

ORGANIZE YOUR LIST

Safety Schools

- May also be called "likely" schools
- List schools that will be less challenging to get into
- May also be called

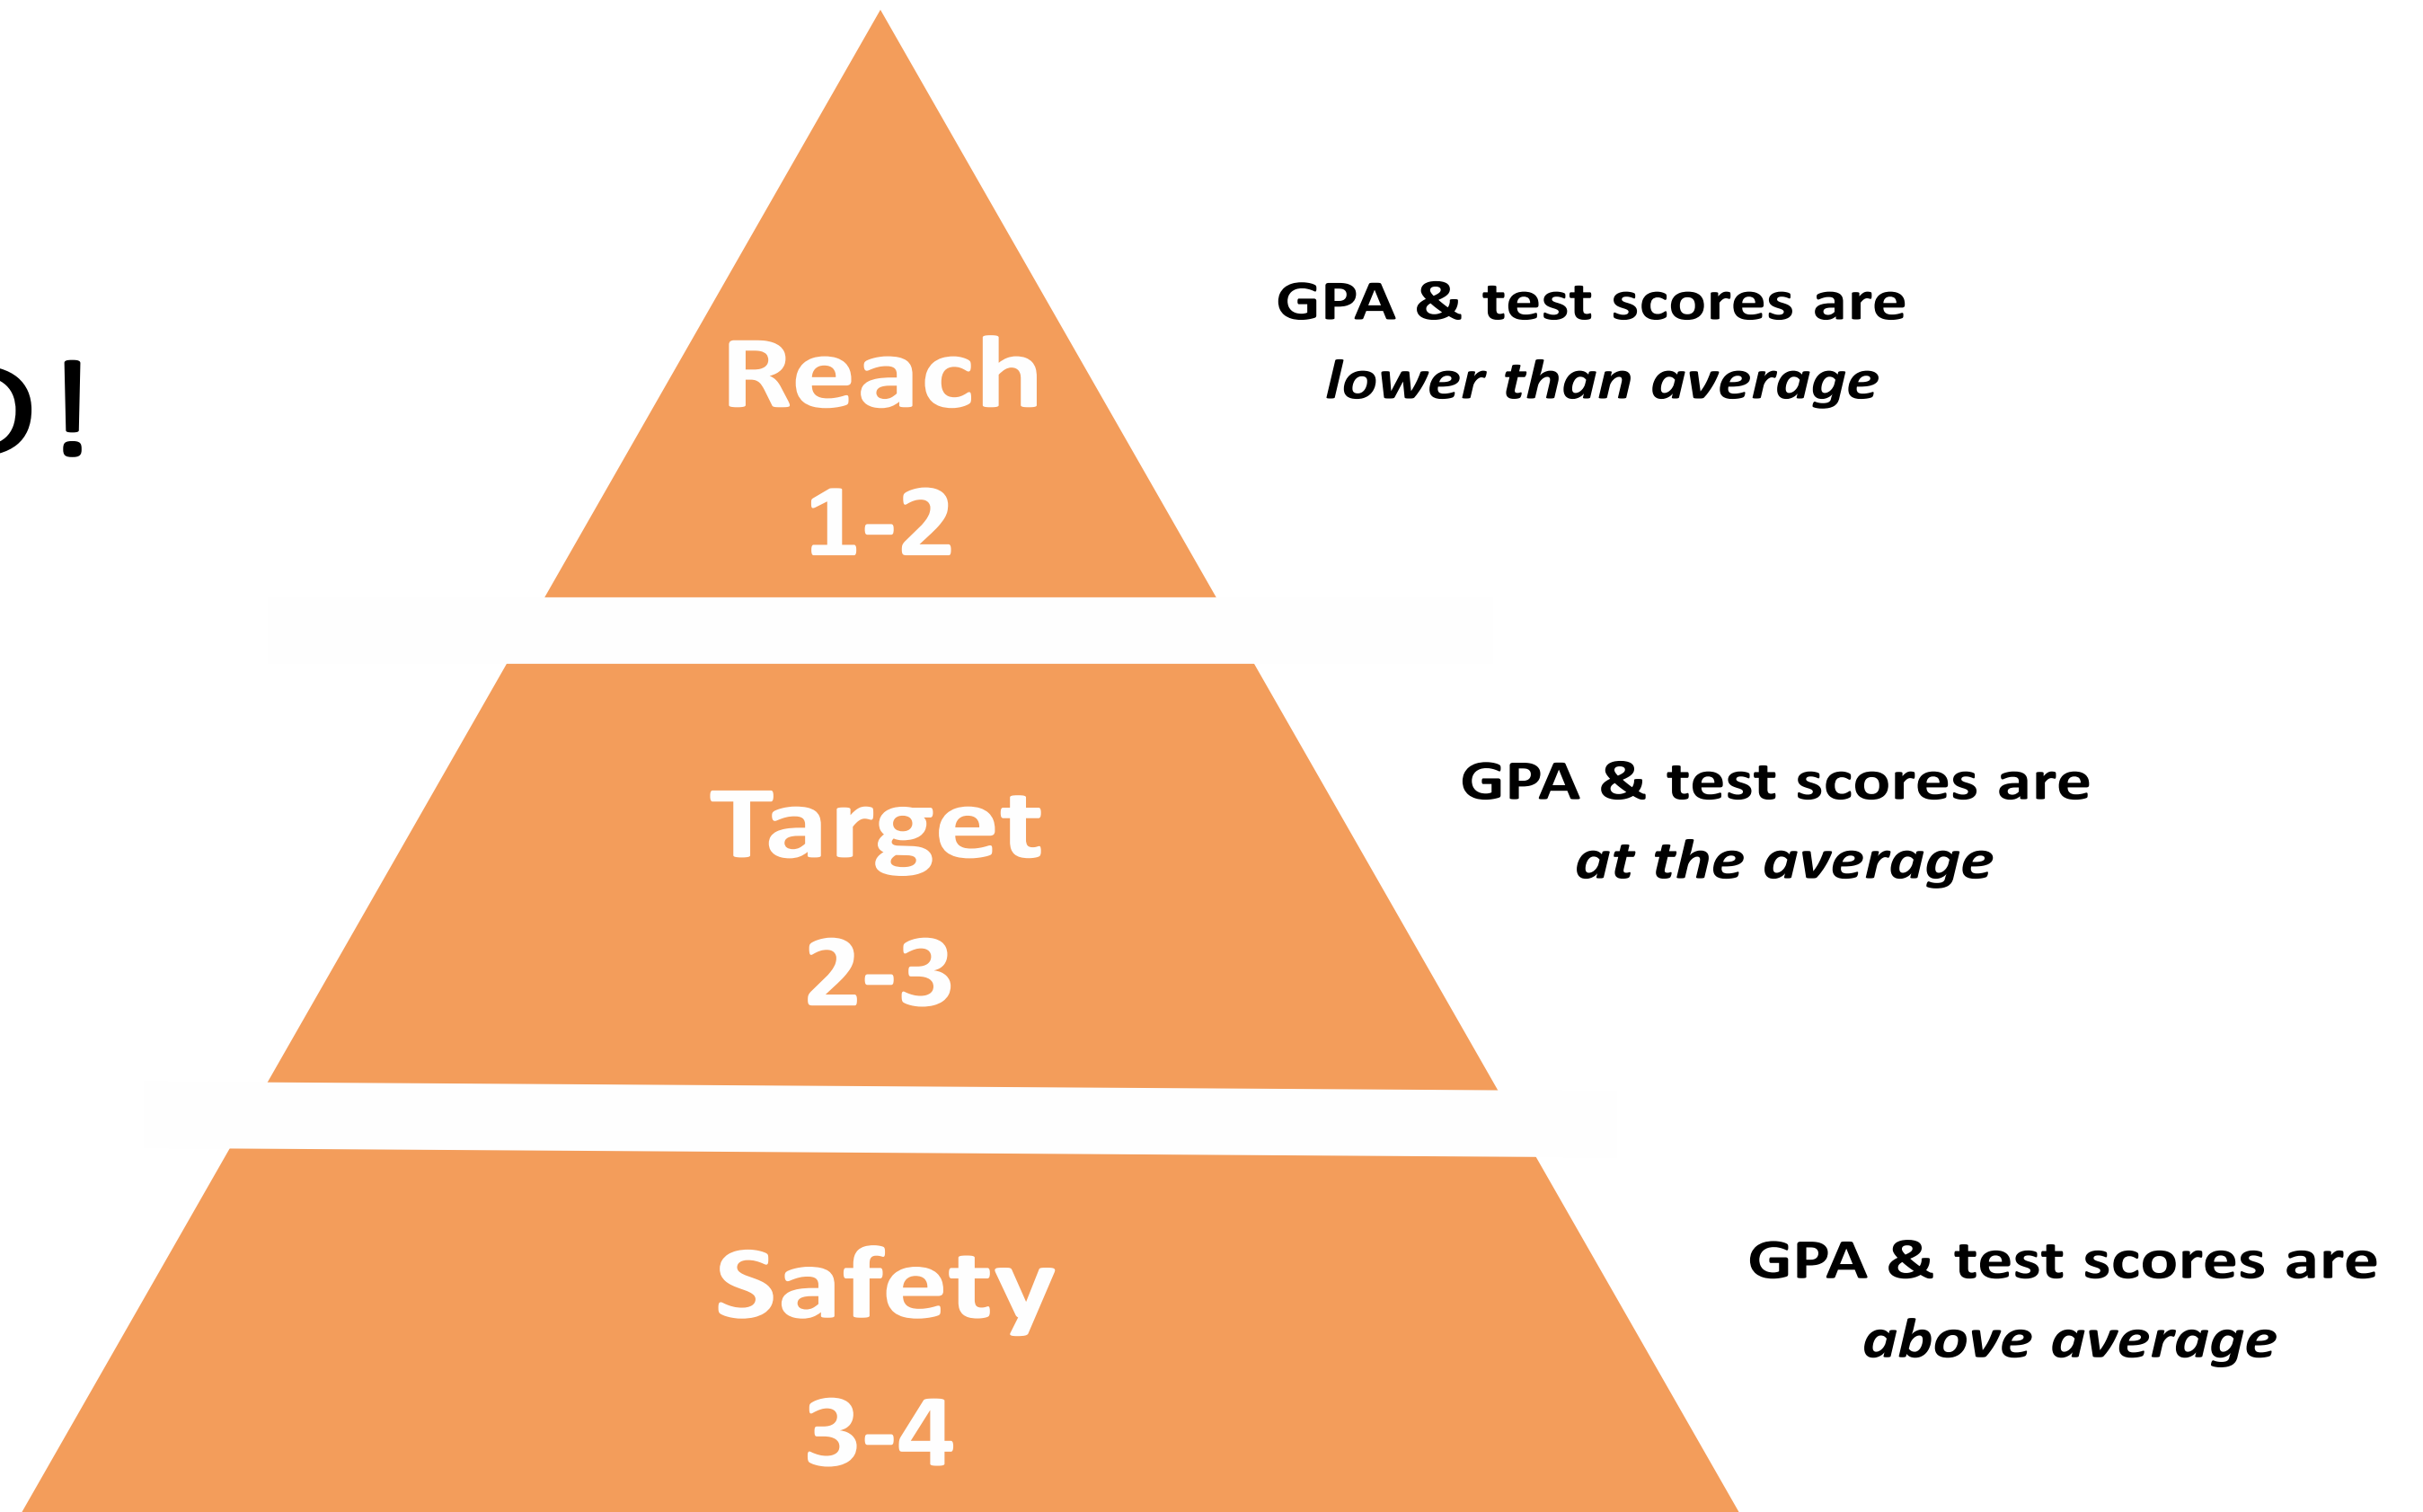

Target Schools

- "match" schools List schools that are about the right fit; not too easy, not too hard to get into
- May also be called

Reach Schools

- "dream" schools List schools that will be the most challenging to get into

STRIVE FOR THE PYRAMID!

Reach

Target

Safety

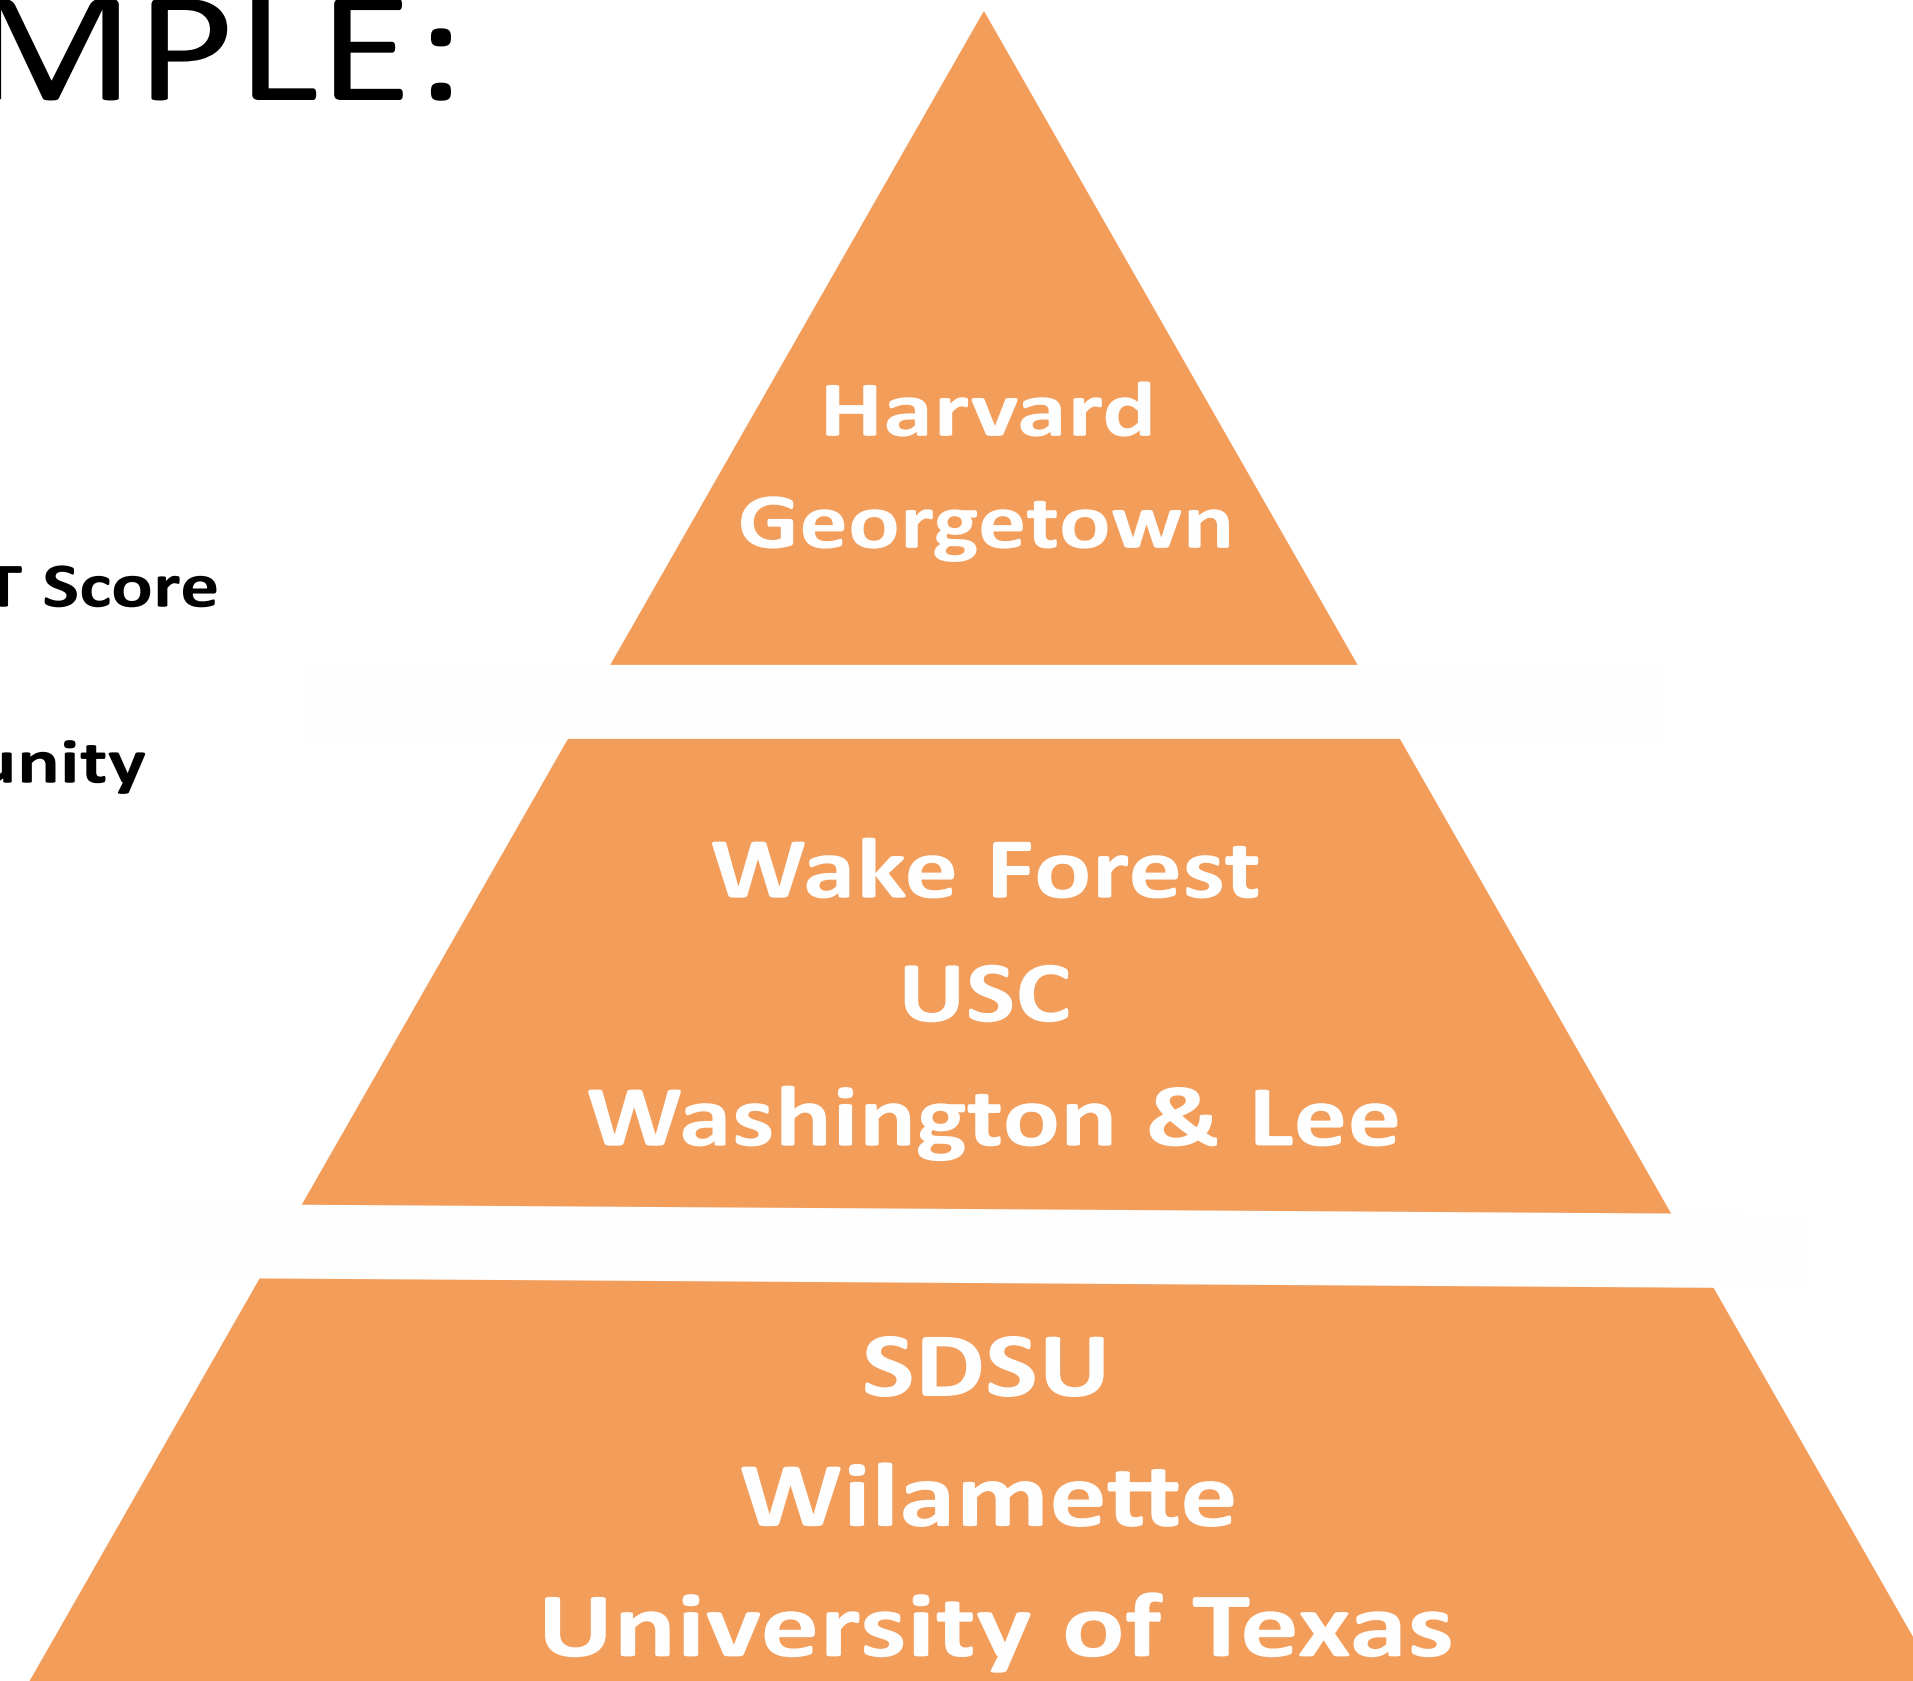

**Recipe for disappointment:
Too many "reach" schools & not
enough "safety" schools**

**TRY NOT TO
DO THIS...**

 **Love your safety schools!**

FOR EXAMPLE:

- **4.2 GPA**
- **Above Average ACT Score**
- **8 AP classes**
- **Significant Community Service and Club Involvement**
- **Stellar Letters of Recommendation**

THINGS TO CONSIDER & THINK ABOUT...

When planning to apply, consider more than a school's reputation:

- Is it really going to be a good fit for you? ● Does it have what you want/need for your success?
- Even if it's known as a great school, it might not be your best option
- Make sure to do your research!

3	Restricted Early Action	✓ & ✗	<ul style="list-style-type: none"> • Not obligated to attend if accepted • Receive college decision earlier • Can only apply to <u>one</u> school • Can increase chances of acceptance-#1 choice • Let school know in May
